

Key Replacement Protection

A solution for key-related emergencies.

PowerProtect[®]

When you can't find your keys, we're here to help.

Today's car keys are far more advanced than they were a generation ago. That's why replacing your vehicle's key and remote can cost hundreds of dollars. Fortunately, the Power Protect Key Replacement Protection product is here to help.

Whether your keys are lost, stolen, locked inside your car or simply not working, we have you covered with key replacement assistance anywhere in the U.S. and Canada. Best of all, you can choose the plan that's right for you with protection options of up to five years.

Peace of mind made affordable

- **No deductible** — zero out-of-pocket cost for you at time of claim
- **Monthly payment option** if you include the product price with your auto financing

Reliable and comprehensive service when you need it most

- Coverage includes reimbursement for replacement of the vehicle's key/transponder and any applicable programming up to \$800 per occurrence
- Reimbursement for a non-programmable key on member's key ring up to \$250 per occurrence
- 24-hour vehicle lock-out assistance — locksmith expenses covered up to \$100
- Up to \$75 towards taxi, rental vehicle and/or public transportation if member is unable to replace keys and/or drive the vehicle on the same day
- Transferable to another vehicle

Coverage exclusions may apply¹:

- If you did not receive two master keys at the time of purchase of the covered vehicle
- If your keys are covered by the manufacturer's recall, or repairer's or supplier's guarantee or warranty
- Any replacement keys made without prior authorization

¹ Additional exclusions may apply. Please see your membership agreement for specific coverage details, including limitations and exclusions.

We offer our customers exceptional benefits that enhance the driving experience. For more information, see your participating Power Protect dealer or visit:
