

Pre-Paid Maintenance with Tire Rotations

A better way to save on routine
maintenance services.

PowerProtect[®]

The easiest way to maintain your vehicle and factory warranty.

As durable as vehicles are built today, they will always require routine maintenance. The Power Protect Pre-Paid Maintenance with Tire Rotations product offers you a valuable maintenance solution while keeping your vehicle running smooth and in compliance with the factory warranty.

Pay less now instead of more later

Best of all, by pre-paying for your maintenance plan:

- **Avoid the higher cost** of future services and get tomorrow’s services at today’s prices
- **Monthly payment option** if you include the product price with your auto financing

Maintenance you can trust

- Coverage of scheduled oil and oil filter changes
- Includes tire rotations and multi-point inspections
- Services performed by technicians who have been trained to comply with all factory warranty requirements
- Service available at all participating dealers
- Transferable coverage may add to your resale value if you sell your vehicle to a private party
- Trust and peace of mind that you deserve

Coverage exclusions may apply¹:

- Mechanical breakdown repairs, whether or not the repairs are associated with a covered service
- Any upgraded or extra-cost products used during a covered service

¹ Additional exclusions may apply. Please see your Agreement for specific coverage details including limitations and exclusions.
