Theft Protection

Protect what's yours.

PowerProtect®

The true cost of auto theft goes beyond the loss of your vehicle.

If your vehicle is ever stolen, and your insurance company follows common industry practices, they may cover only your vehicle's market value at the time of the loss. The coverage offered by your insurance company may leave you fully responsible for other expenses such as your insurance deductible, the interest on your loan, various fees, and sales tax for your replacement vehicle.

Fortunately, Theft Protection offers you a theft deterrent system that helps to minimize your losses, plus a Limited Warranty that gives you up to a \$5,000 benefit.

Our proven system ensures peace of mind

- **Distinctive anti-theft warning window decals** used to deter theft
- **Vehicle marked with identification codes**
- **Up to \$5,000¹ Limited Warranty Benefit** if the Theft Protection product fails to prevent the theft of the vehicle and the vehicle is declared a total loss because either the vehicle is not recovered or it is recovered but is damaged beyond reasonable repair (availability may vary by state)
- **Transferable coverage** may add to the resale value of your vehicle to a private party²
- **Choose the plan that's right for you**, with coverage options up to five (5) years
- **Monthly payment option** if you include the product price with your auto financing

Protecting your investment
