PowerProtect®

Enjoy years of worry-free driving.

Building on the quality and commitment of your vehicle's Certified Pre-Owned (CPO) program, the Power Protect CPO Wrap¹ product delivers coverage that enhances your vehicle's factory warranty and adds roadside assistance coverage. Added protection for your vehicle includes mechanical repairs, parts, and labor.

CPO Wrap helps make unexpected repairs less expensive

- **Delivers value above your vehicle's factory warranty and CPO program**, with coverage options from 5 years and 75,000 miles to 10 years and 135,000 miles, depending upon the make and model of your vehicle²
- **Pay nothing for covered repairs** other than the deductible you select at the time of purchase
- **Monthly payment option** if you include a plan within your auto financing

1. In order to be eligible for the Power Protect CPO Wrap coverage, your vehicle must have a Certified Pre-Owned (CPO) certification.

2. CPO Wrap coverage runs concurrently with the period of coverage of your vehicle's CPO warranty. See your dealer for actual CPO warranty coverage and limitations.
